Re: Interest in Admission to The Lighthouse and Safe Harbor Programs

Thank you for your interest in admission to our community re-entry program. The Lighthouse offers programs through affiliate Safe Harbor Churches. We are delighted to be able to tell you about our program. We have provided our intake application, personal information questionnaire, basic rules of our program, and descriptions of our program and services.

Safe Harbor is a twelve-month faith-based program that provides life skill and recovery support groups, safe and drug-free housing, necessities (such as clothes, food, hygiene products, etc.), and back-to-work employment opportunities with program completion incentives. **Our focus is to help participants make permanent life changes through recovery support services, a variety of pastoral and spiritual support groups, daily chapel services, one-on-one with our pastoral staff, and an assortment of other life skill classes.** We are not a family or group institution and cannot admit children. Safe Harbor locations are state parole board approved: Bucksnort, TN; Brighton, TN; Erin, TN. And New Market TN.

For those who are considering admissions into our program, you will go through a screening process and will be informed promptly of your eligibility. Currently, our program does not admit those who have been convicted of sexual and or violent crimes. Your application will be verified before your admittance can be issued. In order to be considered for acceptance into Safe Harbor, we would require an 1) application completed and signed; 2) if incarcerated, a recommendation letter from your pre-release counselor or the chaplain from the facility where you are located that includes character information, previous criminal history; 3) an essay telling us a brief summary about you, your charge details, and why you feel the need to come to Safe Harbor; and 4) your TOMIS charge sheet or verification of all previous charges.

Again, we are so thankful for your interest in The Lighthouse and Safe Harbor. May God bless and keep you.
